

Special Olympics

Special Olympics Ohio Recognition

The form for reporting Special Olympics activities is posted on www.OhioBPA.org and is also available on the Special Olympics Ohio website www.soooh.org. Be sure to complete the form and include it with checks mailed to the Special Olympics Ohio office. E-mail a copy of the form to Barbara Trent, State Advisor, as well.

It is important that chapters submit the form electronically when they make contributions to a local Special Olympics event such as donations to your county's Special Olympics chapter. Those contributions will be included in determining awards presented at the State Leadership Conference in March.

In addition to contributions reported to Ohio Special Olympics prior to March 4, 2011, donations from each region will be collected at the State Leadership Conference on Thursday, March 17 and those monies will be credited toward the region's total contributions. At the Awards Assembly on March 18, 2011, a representative from each region will present his or her region's *check* to Special Olympics Ohio.

At the State Leadership Conference Awards Ceremony on March 18, a Special Olympics Ohio representative will present a plaque to the **region** with the highest total contribution. The Ohio Association will present a plaque to the **school** with the highest contribution. In addition to the plaque presented by Special Olympics Ohio, the **region** with the highest combined contributions will receive the Ohio Association Special Olympics traveling trophy.

Please encourage all chapters within your region to participate in our state and national service project by contributing to and participating in their school's Special Olympics activities.

Questions related to Special Olympics contributions should be addressed to State Advisor Barbara Trent at 614-387-2276 or Barbara.Trent@ode.state.oh.us.
