

Business Professionals of America State and National Membership

Membership registration for Business Professionals of America, Ohio Association and for National Business Professionals of America will be completed through an on-line membership registration process at www.bpa.org. Existing BPA chapters will use the same username and password as last year. If you forgot your password or username, on the Local Advisor Login page you can send an e-mail to National BPA requesting your login information. Or, you can contact State Advisor Barbara Trent.

If you are starting a new chapter, use the *Start a New Chapter* link to download the chapter start up kit. Review the start up kit before you register your intent to start a local chapter. The national office will provide your username and password so that you can register your students. If there is an inactive chapter at your school, that chapter will be reactivated rather than your starting a new chapter. Contact Barbara Trent for additional information.

For the 2011-2012 school year membership dues are **\$15 per student and advisor** (\$12 national and \$3 state). Payment for both State and National dues should be sent to

**National BPA Office
P.O. Box 632707
Cincinnati, OH 45263-2707**
